PROFESSIONAL SUMMARY

Dedicated and experienced Service Shift Leader with over 3 years of proven success in providing exceptional customer service and leading teams. Proficient in C++ and SQL with a strong ability to adapt quickly in dynamic work environments.

EXPERIENCE & PROJECTS

Adventure of Red

Unity, C#

Developed a 2D platformer in Unity featuring basic movement, collision detection, and level progression. Created custom game objects, scripted player mechanics, and managed scenes to deliver a polished gameplay loop.

I Will Survive

Unity, C#

Built a top-down 2D roguelike game using Unity. Focused on player movement, enemy AI, and procedural room transitions. Improved C# scripting skills through enemy behavior and health systems.

GainZ – iOS Fitness Tracker App

Swift, Xcode, Storyboard, GitHub

Collaborated on a fitness app that tracks workouts, calories, and body mass. Contributed to the implementation of a daily reminder system, streak tracker, and progress tracking interface. Used GitHub for version control and team collaboration.

Shift Team Leader, Sweet Rolled Tacos- Garden Grove, CA

06.2018- 03.2020

- Directed and trained team members on order handling procedures and customer service best practices.
- Managed inventory, ensuring the availability of fresh ingredients and well-stocked toppings.
- Monitored store operations to maintain smooth functioning and adherence to standards.
